

# HOT Market Sitoo Process

**THE PLAY:** Hot Market is an exciting time for your local market and we want to keep up with the celebration by offering winning gear! There are times that stores are allowed to put product on the floor without tagging the product to get product to the floor quickly. This will be instructed. When instructed, follow this process for ringing guests up at checkout!

## THE GAME PLAN:

Follow these steps on Sitoo to ring up un-tagged product during Hot Market.

TAP the Category arrow to locate **directed category**  
TAP the appropriate market if multiple markets appear  
Available product tiles will appear

TAP the product type  
• Hats will not expand  
• T-Shirts will expand to a Size List

TAP the size to add to the Cart to sell

## EXTREMELY IMPORTANT

The List of Sizes are in *Alphabetical* order,

NOT size order

It is **IMPERATIVE** to select the accurate size being sold for SKU integrity & for accurate inventory
